INDEX.

Articles marked [e] are editorials.

A

Advances in the Teaching of Mathematics, Recent 141
Arts, Mathematics Applied to Domestic 158
Association of Teachers of Mathematics in the Middle States and Maryland: List of Members 53

Association of Teachers of Mathematics of New England: List of Members 44
Association of Teachers of Mathematics of New England, The: Final Report of the Committee on the Mathematics of Pre-High School Grade 38
Arithmetic, be Taught to All Pupils in the High School, Should. When? How Much Time Should be Given to It? 196
$Ax^2 + bx + c = 0$, To Plot 148
Authors—
Ball, Katherine F. 158
Clapp, Amy L. 199
Curtis, Arthur M. 94
Decker, Floyd F. 94
De Graff, Forrest A. 94
Evans, George W. 73
English, Harry 21
Fuld, Leonhard Felix 165
Gentleman, F. W. 209
Grove, C. C. 3, 103, 187, 192
Henderson, R. H. 141
Jackson, Dunham 11
Keller, S. S. 149
Koch, Ernest H., Jr. 179
Marriott, Ross W. 193
Miller, G. A. 154
Minnick, J. H. 80
Munhall, Ruth 201
Patterson, J. L. 148
Rogers, Agnes L. 85
Scobey, Frank H. 196
Sherk, Wilfred H. 94
Smith, David Eugene 77
Smith, Eugene Randolph 94
Webb, Harrison E. 94

Webster, Louisa M. 203
Wright, Amelia C. 14

B

Books, New 66, 125, 170, 219

C

Calculus, The Order of Teaching the Parts of the 191
Civil Service Questions in Mathematics 165
Clubs, Mathematics 203
College Preparation: What is its Effect on What You Teach and How You Teach it? 17, 21
Committee, Report of Geometry 33
Contents of a Mathematical Course for the Junior High School, The
Contests, Mathematics 179
Critics and Their Viewpoints, Our 80
Criticisms of Mathematics Teaching and Their Results, Recent 94

D

Domestic Arts, Mathematics Applied to 158

E

Entrance Requirements Again 149
Established Results of the New Psychology as it Bears upon Teaching Mathematics, The 85

G

Geometry Committee, Report of the 33

H

High School, Mathematics for the Junior 73
High School, The Contents of a Mathematical Course for the Junior 209

J

Junior High School, Mathematics for the 73
Junior High School, The Contents of a Mathematical Course for .. 209

L

Limits, Variables and 11
List of Members, The Association of Teachers of Mathematics of New England 44
List of Members, Association of Teachers of Mathematics in the Middle States and Maryland 53

M

Mathematics Applied to Domestic Arts 158
Mathematics, Civil Service Questions in 165
Mathematics Clubs 203
Mathematics Contests 179
Mathematics for the Junior High School 73
Mathematics, Recent Advances in the Teaching of 141
Mathematics Teachers Using the Slide Rule [e] 1
Mathematics and Psychology 3
Mathematics and Psychology, II 103
Members, List of Association of Teachers of Mathematics in the Middle States and Maryland 53
Members, List of, Association of Teachers of Mathematics of New England 44

N

New Books 66, 125, 170, 219
Notes and News 70, 134, 172, 222

O

Order of the Teaching the Parts of the Calculus, The 191
Our Critics and Their Viewpoints 80
Outcome, What is to be the 77

P

Parts of the Calculus, The Order of the Teaching the 191
Plot $ax^2 + bx + c = 0$, To 148
Pre-High School Grade, The Association of Teachers of Mathematics of New England: Final Report of the Committee on the Mathematics of 38
Preparation, College, What is its Effect on What You Teach and How You Teach It? 17
Psychology, as it Bears on Teaching Mathematics. The Established Results of the New 85
Psychology, Mathematics and 3
Psychology, II, Mathematics and 103

Q

Questioner, Returns to the 187
Questions in Mathematics, Civil Service 165

R

Radical Symbol, The Use of the 154
Recent Advances in the Teaching of Mathematics 141
Recent Criticisms of Mathematics Teaching and Their Results 94

Report of the Geometry Committee 33
Report of the Committee on Mathematics of Pre-High School Grade —The Association of Teachers of Mathematics of New England, Final 38
Requirements Again, Entrance 149
Results of the New Psychology as it Bears upon Teaching Mathematics, The Established 85
Results, Recent Criticism of Mathematics Teachings and Their 94
Returns to the Questioner 187
Rule, Mathematics Teachers Using the Slide [e] 1

S

Should Arithmetic Be Taught to All Pupils in the High School? When? How Much Time Should be Given to It? 196
Sysbol, The Use of the Radical 154

T

Teachers Using the Slide Rule, Mathematics [e] 1
Teaching and Their Results, Recent Criticisms of Mathematics 94
Teaching Mathematics, The Established Results of the New Psychology as it Bears upon 85
To Plot $ax^2 + bx + e = 0$ 148

U

Use of the Radical Symbol 154
Using the Slide Rule, Mathematics Teachers [e] 1

V

Viewpoints, Our Critics and Their 80

W

What is to be the Outcome? 77
