

## ***Kenneth B. Cummins Grant (for Partner Affiliates)***

*The Kenneth B. Cummins Fund is the result of contributions initially donated by Dr. Cummins and the Ohio Council of Teachers of Mathematics. Dr. Cummins was an outstanding mathematics educator from Ohio and the award is to be given to an exceptional Affiliate grant proposal. The Cummins Grant amount is for up to \$3500.*

### **Purpose**

The Mathematics Education Trust (MET) Board of Trustees, based on the recommendation of the Membership and Affiliate Relations Committee (MARC), awards the Kenneth B. Cummins Grant to an NCTM Partner Affiliate. The purpose of the Cummins MET-funded grant is to support efforts of Partner Affiliates to serve mathematics teachers by—

- supporting the Strategic Framework of the National Council of Teachers of Mathematics and the goals of the Affiliate;
- promoting creative projects that help make NCTM and its Affiliates be more visible to the public and educational partners; or
- building membership and revenues.

### **Criteria**

Applications will be judged based on the following criteria:

- Affiliate has not been awarded an Affiliate Grant within the past two grant cycles.
- Affiliate must be “In Good Standing”
- This project addresses a significant need in your mathematical community.
- The project addresses an NCTM Strategic Framework.
- The project is creative or innovative.
- The goals, objectives, activities, and implementation plan of the project are clear. Timeline describing when activities will occur.
- Criteria for assessing the effectiveness and impact of the project are included.
- The grant application is complete, including a DETAILED itemized budget. Budget items for MET grant funds must not include food or drink. If the budget exceeds \$3500, indicate the availability of matching funds to cover any excess.
- The project is cost-effective for the number of participants and its potential impact.
- The proposal includes a statement that the final report for the grant will be submitted upon completion of the project. (Failure to provide a final report will result in the request for reimbursement of grant funds.)
- The president’s signature is on the application.
- The Grant Contact signature is on the application.
- The application indicates how NCTM support will be acknowledged.
- The proposal includes how the Mathematics Education Trust will be acknowledged for its contributions.

### **Notes to Applicants**

- The deadline for applications will be strictly adhered to in order to support thoughtful and timely committee consideration.
- Application must include a DETAILED itemized budget. Budget items for MET grant funds must not include food or drink. If the budget exceeds \$3500, indicate the availability of matching funds to cover any excess.
- Applicants must agree to submit the Grant Final Report Form (available online in the Affiliate section of the NCTM Web site) upon completion of the project. Failure to provide a final report will result in the request for reimbursement of grant funds.
- Applications for repeat projects by the same Affiliate will not be considered.
- Applications will not be considered for activities that have already commenced or occurred.
- Affiliates will need to repay any funds not used for the proposed grant project.
- “Grant Writing Guidelines and Tips” and a scoring rubric are available online in the Affiliate section of the NCTM website.
- Your MARC representative can assist with the application process by providing feedback and suggestions. Please take advantage of this service by contacting him/her well before the application deadline.
- Consider using NCTM materials when possible.
