MCTM Bulletin (Newsletter)
Editor: Robert Rowe
2. Affiliate: Oregon Council of Teachers of Mathematics
Publication: The Oregon Mathematics Teacher (Journal)
Editors: Jacqueline Cooke and Cathy Bernhard

RESOLUTIONS PASSED BY THE 2015 DELEGATE ASSEMBLY

RESOLUTION O.NR.15.01

The new NCTM website, in phase 2, shall include a designated space for Affiliate leadership networking and communication. This space should be easily accessible, and designed to promote interactive discussions among Affiliates and with the NCTM board.

Rationale:

- 1) Affiliate leaders need an easily accessible space on the NCTM web site to communicate with other Affiliate leaders.
- 2) Affiliates need a space on the NCTM web site to **continuously** collaborate, share ideas, and suggest solutions to common issues.
- 3) Several years ago, the ASC was guaranteed that this web site would be available to the ASC members to reach their geographical areas with important information from the NCTM Board.
- 4) The NCTM board should be able to access this website to learn what concerns are being shared among the Affiliates to provide support to current needs.

Submitted by: Central Caucus

RESOLUTION O.NR.15.02

When a Caucus is held after the shuttle service has stopped, NCTM will provide transportation service to conference hotels for all Caucus participants.

Rationale:

As active Affiliate representatives, it is our duty to participate in the Caucus process. Unfortunately, the late hours of our meeting conclude after the shuttle service has concluded for the evening. We would like a safe, reliable form of transportation to return to our hotels after our Caucus work.
