Prefacev

1 Mathematical Reasoning and Sense Making..... 1
Michael T. Battista, The Ohio State University,
Columbus, Ohio

**2 Numerical Reasoning: Number Systems, Ratio, and
Proportional Relationships.....25**
Kathleen Cramer, University of Minnesota,
St. Paul, Minnesota.

3 Algebraic Reasoning in Grades 6–847
Ana Stephens, University of Wisconsin—Madison, and
Eric Knuth, University of Wisconsin—Madison

**4 Reasoning and Sense Making in Statistics
and Probability73**
Jane M. Watson, University of Tasmania, Hobart,
Tasmania, Australia

**5 Understanding And Developing Middle School Students’
Reasoning And Sense Making About Geometric
Decomposition 113**
Michael T. Battista, The Ohio State University,
Columbus, Ohio

**Appendix A: Abbreviated List of the Common Core
State Standards for Mathematics Standards for
Mathematical Practice153**

**Appendix B: Abbreviated List of the National Council of
Teachers of Mathematics Principles and Standards for
School Mathematics Process Standards157**
