<b>Preface .....</b>	<b>ix</b>
<b>Mentoring New Teachers: A Position of the National Council of Teachers of Mathematics .....</b>	<b>xi</b>
<b>Introduction .....</b>	<b>1</b>
<i>Linda M. Fulmore, Mathematics and Equity Education Consultant, Cave Creek Arizona</i>	
<b>Section 1: Why Mentoring Is Important .....</b>	<b>3</b>
The Blur of Preservice Teaching .....	4
<i>Mike Arney, Marshall and Swift/Boeckh, Atlanta, Georgia</i>	
<i>Eileen Fernández, Montclair State University, Upper Montclair, New Jersey</i>	
What Are the Benefits of Mentoring? .....	5
<i>Hosin Shirvani, University of Texas—Pan American, Edinburg, Texas</i>	
Mentoring Mathematics Teachers in the Twenty-first Century .....	6
<i>Shonda Lemons-Smith, Georgia State University, Atlanta, Georgia</i>	
Mentoring Teachers in Standards-Based Mathematics Education: A Visual Framework .....	6
<i>Eula Ewing Monroe, Brigham Young University, Provo, Utah</i>	
<b>Section 2: Who a Mentor Is .....</b>	<b>11</b>
Will You Be My Mentor? .....	12
<i>Gwen Carnes, Emporia State University, Emporia, Kansas</i>	
Five Essential Responsibilities of an Effective Mentor .....	12
<i>Jeremy Winters, Middle Tennessee State University, Murfreesboro, Tennessee</i>	
<i>Jason D. Johnson, Middle Tennessee State University, Murfreesboro, Tennessee</i>	
To My Once and Forever Master Mentor .....	13
<i>William D. Jamski, Indiana University Southeast, New Albany, Indiana</i>	
Who Should Be a Mentor? .....	14
<i>Andrzej Sokolowski, Cypress Ridge High School, Houston, Texas</i>	
<b>Section 3: What a Mentor Does .....</b>	<b>15</b>
The Five-Star Mentor: A First-Class Guide to Teaching .....	16
<i>Emily Peterek, University of Florida, Gainesville, Florida</i>	
Mentoring a Preservice Mathematics Teacher .....	17
<i>Debra I. Johanning, University of Toledo, Toledo, Ohio</i>	
<i>Rebecca M. Schneider, University of Toledo, Toledo, Ohio</i>	
Observing and Conferencing with a Focus .....	18
<i>Kathleen M. Clark, Florida State University, Tallahassee, Florida</i>	

What I Learned from My Mentor: Supporting Beginning Mathematics Teachers .....	20
<i>Lynn Liao Hodge, University of Tennessee, Knoxville, Tennessee</i>	
Adding to the Repertoire: How Mentors View Their Roles .....	21
<i>Nancy O’Rode, California State University—Northridge, Northridge, California</i>	
<i>Nancy Terman, University of California—Santa Barbara, Santa Barbara, California</i>	
Putting the “Teacher” in Teacher Preparation .....	22
<i>Peter Sheppard, University of Louisiana at Lafayette, Lafayette, Louisiana</i>	
Mentor-Teachers’ Role in Connecting Preservice Mathematics Teachers’ Learning with Real Classroom Teaching Settings .....	24
<i>Shuhua An, California State University, Long Beach, California</i>	
Mentoring at Any Age Is Important .....	25
<i>Ann M. Perry, St. Joseph’s Academy, St. Louis, Missouri</i>	
Mentoring Mindsets for the Mathematics Teacher .....	26
<i>Jason D. Johnson, Middle Tennessee State University, Murfreesboro, Tennessee</i>	
<i>Michaele F. Chappell, Middle Tennessee State University, Murfreesboro, Tennessee</i>	
Effective Mentoring of Preservice Teachers .....	27
<i>Hosin Shirvani, University of Texas—Pan American, Edinburg, Texas</i>	
“Aiding and Abetting” Teachers of Mathematics .....	29
<i>Thomasenia Lott Adams, University of Florida, Gainesville, Florida</i>	
“I Don’t Need to Have All the Answers” .....	29
<i>Nancy O’Rode, California State University—Northridge, Northridge, California</i>	
So What Do You Want from Me? .....	30
<i>Mary Belisle, Greely Middle School, Cumberland, Maine</i>	
My Mentors: Qualities That Made Them Special .....	30
<i>Ann M. Perry, St. Joseph’s Academy, St. Louis, Missouri</i>	
The Mentor as a “Fellow Worker” .....	31
<i>Len Sparrow, Curtin University of Technology, Perth, Australia</i>	
<i>Sandra Frid, Curtin University of Technology, Perth, Australia</i>	

## **Section 4: Tools for Mentors ..... 33**

Developing Effective Mentoring Skills for Mathematics Coaches .....	34
<i>Phyllis Whitin, Wayne State University, Detroit, Michigan</i>	
<i>David Whitin, Wayne State University, Detroit, Michigan</i>	
A Checklist for Scheduling Observations .....	35
<i>Eileen Fernández, Montclair State University, Upper Montclair, New Jersey</i>	
Observing a New Teacher .....	36
<i>Jason D. Johnson, Middle Tennessee State University, Murfreesboro, Tennessee</i>	
Using Videotaping and Stimulated Recall to Reflect on Teaching .....	37
<i>Patricia A. Emmons, Lyme, Connecticut</i>	
Technology as a Communication Tool .....	38
<i>Marshall Lassak, Eastern Illinois University, Charleston, Illinois</i>	

Talking about Teaching: A Strategy for Engaging Teachers in Conversations about Their Practice .....	39
<i>Margaret Smith, University of Pittsburgh, Gibsonia, Pennsylvania</i>	
A Guide for Reflecting on Mathematics Lessons with Beginning Teachers .....	41
<i>Nancy O'Rode, California State University—Northridge, Northridge, California</i>	
<i>Hillary Hertzog, California State University—Northridge, Northridge, California</i>	
Promoting Equity in the Mathematics Classroom .....	42
<i>Nancy Terman, University of California—Santa Barbara, Santa Barbara, California</i>	
<i>Nancy O'Rode, California State University—Northridge, Northridge, California</i>	
<i>Maria Guzman, Oxnard High School, Oxnard, California</i>	
<b>Section 5: Ideas for Mentoring Programs .....</b>	<b>45</b>
Forming a Cadre of Mathematics Mentors .....	46
<i>Alfinio Flores, University of Delaware, Newark, Delaware</i>	
<i>Cheryl A. Thomas, Arizona State University, Tempe, Arizona</i>	
Mentoring for High-Quality Instruction Using Adult Learning Theory: Lessons from Research and Practice .....	46
<i>Thomas J. Starmack, Bloomsburg University, Bloomsburg, Pennsylvania</i>	
Essential Components of a Novice Teacher Induction Program .....	48
<i>Patricia A. Williams, Sam Houston State University, Huntsville, Texas</i>	
<i>Sylvia R. Taube, Sam Houston State University, Huntsville, Texas</i>	
<i>Margaret A. Hammer, Sam Houston State University, Huntsville, Texas</i>	
Learning Never Ends: Meeting Mentors' Professional Development Needs .....	49
<i>Heather A. Martindill, Mid-continent Research for Education and Learning, Denver, Colorado</i>	
Virtual Mentoring in the Secondary Mathematics Teacher Education Program .....	52
<i>Jane Murphy Wilburne, Penn State Harrisburg, Middletown, Pennsylvania</i>	
<b>Section 6: Lessons Learned .....</b>	<b>55</b>
Challenges and Suggestions for Cross-Cultural Mentors .....	56
<i>Fatma Aslan-Tutak, University of Florida, Gainesville Florida</i>	
<i>Adem Ekmekci, University of Texas at Austin, Austin, Texas</i>	
Learning from a Novice Mentor's Mistakes .....	56
<i>Keith R. Leatham, Brigham Young University, Provo, Utah</i>	
Mentoring Bilingual Mathematics Teachers .....	57
<i>M. Alejandra Sorto, Texas State University, San Marcos, Texas</i>	
Building an Open Relationship: A Mentoring Vignette from Both Perspectives .....	58
<i>Michael E. Matthews, University of Nebraska, Omaha, Nebraska</i>	
<i>Nicole I. Guarino, University of Iowa, Iowa City, Iowa</i>
