## **RESOLUTION PASSED BY THE 2009 DELEGATE ASSEMBLY**

### **RESOLUTION O.NR.09.01**

**RESOLUTION:** Be it resolved that the Delegate Assembly recommends to the NCTM Board of Directors that there be established new reduced-rate one-day registration categories for the annual meeting and exposition and regional conferences for student members and student non-members.

**RATIONALE:** Scholastic and financial responsibilities often preclude students from participating in a full conference schedule. Students are future educators and leaders in mathematics education. All are potential NCTM members. NCTM can encourage these students to participate in professional development and to be active members of their professional community by giving them multiple avenues for participating in the Annual Conference and Exposition and regional conferences.
