

2009 NCTM Regional Conferences and Expositions

Boston • Minneapolis • Nashville

Take Exhibiting to the Next Level

Exhibitor workshops are one-hour sessions that you may present to showcase your products and services in a theater-style setting. These sessions allow you to reach current and potential customers with more in-depth information or hands-on instruction. Many exhibitors find these opportunities an invaluable part of their marketing efforts.

This special opportunity is open only to companies exhibiting at the NCTM Regional Conferences. Time slots are limited and assigned on a first-come, first-served basis, so please apply early.

The fee is \$500 per workshop. Please include the full, nonrefundable payment with your application. Note that NCTM cannot guarantee attendance at these workshops, but to help with your promotion, sessions are listed in the **Program Book*** and on NCTM's conference Web site.
