# AFFILIATE MEMBERSHIP

## Join an NCTM Affiliate Today!

Once you have joined NCTM, membership in an NCTM Affiliate is a terrific way to round out your professional involvement. Affiliates offer you an opportunity to link with teachers in your state, region, or city for support, professional development opportunities, community outreach, political advocacy, and information sharing.

A list of Affiliates in the conference's region and the Affiliates-at-Large appears below. To join one of these groups, e-mail the Affiliate contact for membership information. NCTM has more than 230 Affiliates throughout the United States and Canada. For a list of all organizations affiliated with NCTM and information on how to join, please see the Affiliate Directory on the NCTM Web site at [www.nctm.org/affiliates](http://www.nctm.org/affiliates).

## On Core Mathematics

**On Core Mathematics** is a complete companion for transitioning to the Common Core State Standards, with interactive, real-world applications that help students deepen their understanding of crucial math concepts, while addressing the Common Core Curriculum and the Standards for Mathematical Practice.

Discover how **On Core Mathematics** is a cost-effective resource that can supplement your existing program and provide the standards coverage you need.

For more information, visit us in **Booth #215** at the NCTM Regional Conference in Atlantic City.
