

# #Engage with NCTM's Conference App!

## Step 1: Download

Download the app by searching "NCTM" in your device's app store, look for the city specific logos

## Step 2: Set up your profile

After downloading, enter your email & tap continue. Your initial password will be sent to you via email. Follow the email instructions to set your password! Next, set up your profile. Enter your contact details and update your Profile Photo (tap the photo icon and select from existing photos or take a selfie).

## Agenda

Browse the conference schedule and filter by specific gradebands through the "Agenda" option. Learn more about an agenda item by tapping it. From the main page of the agenda, you will see the "My Agenda" tab at the top with all of your bookmarked events. Please note- sessions are first-come, first-serve seating; adding an item to your agenda will *not* reserve your seat.

## Speakers

Interested in hearing a specific speaker? Browse our "Speaker" list to find out when and where!

## Bookmarks

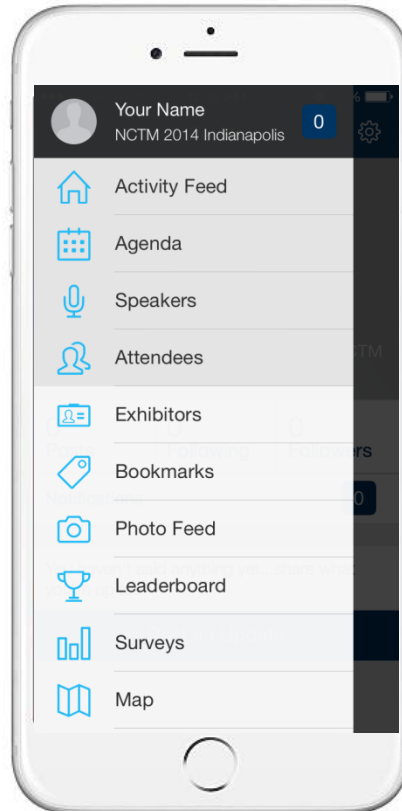

Did you bookmark a speaker or exhibitor? View everything you wanted to remember later by clicking "Bookmarks."

## Photo Feed

A picture is worth a thousand words! Click the "Photo Feed" to view all of the photos that have been posted throughout the day!

## Surveys

Want NCTM to hear what you have to say? Checkout the "Surveys" to give feedback on sessions or take a poll.

## Exhibits

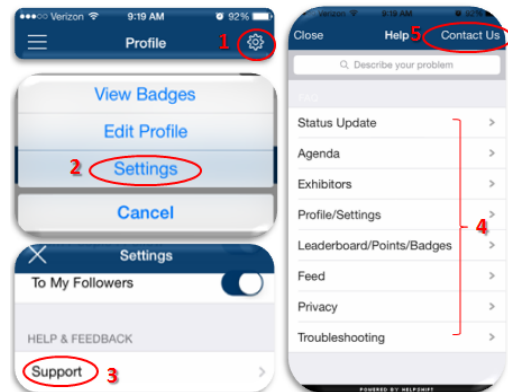

Wondering where exactly you can find a booth? Check out the "Map" to view the exhibit hall floor. Browse the complete exhibitor listing by clicking "Exhibitors." Here you will find the booth number, where you can locate them in the exhibit hall, and other company information. Bookmark companies that you want to go back & visit by clicking the bookmark icon.

## Activity Feed

Consider this a digital live feed of the conference! Any new updates will be posted in the "Activity feed." Keep the conversation rolling with fellow attendees by "liking" or "commenting" on their posts! Share your conference highlights, quotes from sessions, and even pictures by clicking on the status update icon.

## App Support

Having issues with your app? Go to your profile. Under settings, click "Support." Here you will find a listing of FAQ's that will answer a wide variety of questions! Can't find what you're looking for? Click "Contact Us" in the top right to report your issue.

## Leaderboard

Be #1! Check out the "Leaderboard" to see who is the most active on the app.
