1 **Jumping on Board: What Is the Mathematics Whole School Agreement?** **1**

| | |
|---|----|
| What Is the Mathematics Whole School Agreement? | 2 |
| Why Students Need a Cohesive Approach to Instruction | 4 |
| How Does an MWSA Provide a Solution? | 5 |
| <i>An MWSA Is an Agreement Among All Stakeholders</i> | 5 |
| <i>An MWSA Helps Students Make Sense of the Content</i> | 5 |
| <i>An MWSA Helps Teachers Align Their Teaching With Standards and Assessments</i> | 6 |
| Committing to Equitable and High-Quality Mathematics Instruction | 11 |
| <i>Equitable Instruction</i> | 11 |
| <i>High-Quality Mathematics Instruction</i> | 12 |
| Prioritizing the Development of Deep Mathematical Understanding | 13 |
| The MWSA Process | 14 |
| Putting It All Together! | 17 |
| Next Steps | 17 |

2 **Watching What We Say! Using Correct and Consistent Language** **18**

| | |
|---|----|
| Introduction to Mathematical Language | 19 |
| Commonly Used Words That Expire in High School | 21 |
| <i>Introducing Vocabulary</i> | 27 |
| Avoiding Messy, Misaligned, and Sometimes Meaningless Mnemonics | 29 |
| Communicating These Changes in Mathematical Language to Others | 32 |
| Putting It All Together! | 35 |
| Next Steps | 35 |

3 Symbol Sense Is Foundational: Noting the Importance of Precise Notation 36

| | |
|--|----|
| Why the Use of Precise Notation Can Be Challenging | 37 |
| Critical Notation to Be Learned in the High School Courses | 37 |
| <i>Equal Sign</i> | 38 |
| <i>Greater Than and Less Than Signs</i> | 40 |
| Commonly Used Notation in High School That | |
| Needs Attention | 40 |
| Putting It All Together! | 43 |
| Next Steps | 43 |

4 Mental Images That Last: Cohesive and Consistent Representations 44

| | |
|---|----|
| What Are Representations? | 45 |
| Representations: Concrete, Semiconcrete, and Abstract | 46 |
| Selecting Aligned and Consistent Representations | 48 |
| <i>Concrete Representations</i> | 48 |
| <i>Semiconcrete and Abstract Representations</i> | 51 |
| Commonly Used Representations in High School | 56 |
| Sharing With Stakeholders | 63 |
| Putting It All Together! | 64 |
| Next Steps | 65 |

5 Why Was I Taught That? Evaluating Rules That Expire 66

| | |
|---|----|
| What Are RTEs? | 67 |
| <i>Examples of RTEs</i> | 68 |
| <i>Negative Impacts of Teaching RTEs</i> | 71 |
| Commonly Used RTEs in High School Courses | 74 |
| Putting It All Together! | 85 |
| Next Steps | 86 |

6 Building Generalizations: Developing Instructional Strategies the MWSA Way 87

| | |
|---|-----|
| Generalizations Versus Rules | 88 |
| <i>Generalizations to Last a Lifetime</i> | 90 |
| Common Overgeneralizations Made by High School Students | 92 |
| Instructional Strategies for Supporting Students in | |
| Developing Generalizations | 95 |
| <i>Tasks to Promote Generalizations</i> | 95 |
| Putting It All Together! | 103 |
| Next Steps | 103 |

7 **Embodying the MWSA in Every Lesson: No Teaching by Telling!** **104**

| | |
|--|-----|
| Getting Ready to Implement an MWSA in Instruction | 105 |
| <i>Making Teacher Lesson- and Unit-Planning Time Nonnegotiable</i> | 106 |
| <i>Using Appropriate and Vetted Resources</i> | 107 |
| Embodying Your Team's MWSA in Instructional | |
| Lessons and Units | 110 |
| <i>Language and Notation</i> | 113 |
| <i>Representations</i> | 115 |
| <i>Rules That Expire</i> | 119 |
| <i>Generalizations</i> | 122 |
| Putting It All Together! | 125 |
| Next Steps | 127 |

8 **Getting to the Heart of the Matter: Building and Enacting the MWSA** **128**

| | |
|---|-----|
| Enacting Change | 129 |
| <i>Collaborative Teamwork</i> | 129 |
| <i>Planning for Change as a Team</i> | 129 |
| Moving MWSA Beyond Your School | 136 |
| <i>Establishing a Horizontally Articulated MWSA</i> | 137 |
| <i>Establishing a Vertically Articulated MWSA</i> | 140 |
| Ensuring That All Stakeholders Are Involved | 143 |
| Putting It All Together! | 144 |
| Next Steps | 144 |

9 **Sharing Successes From the Field: MWSA Heroes Tell Their Stories** **145**

| | |
|--|-----|
| Examples of MWSAs in Action | 146 |
| <i>A Department Chair Coordinates a Process: Supporting Student Learning</i> | 146 |
| <i>A Mathematics Coach Takes the Lead: Helping Change Direction</i> | 147 |
| <i>One Educator Spearheads an MWSA in His School</i> | 152 |
| Next Steps: You're Ready for Action—Consider Change Often | 155 |
