The National Council of Teachers of Mathematics Principles and Process Standards 12
How Are the National Council of Teachers of Mathematics and Common Core Standards Related? 13
Questions for Discussion 17

3. Promoting Adoption and Avoiding Rejection **18**
Scenario 1: The Unadopted Plan 19
How Adults Change 22
Fostering Adoption 23
Using the Levels of Adoption Form 24
Scenario 2: Reaching the Earlier Adopters 28
Questions for Discussion 31

4. Focusing on Students Brings Success **32**
Big Idea 1: The Opportunity to Learn 33
Big Idea 2: Visible Thinking 34

Big Idea 3: Engaging Lessons 38
Big Idea 4: Group-Worthy Problems 39
Big Idea 5: Tier 1 Response to Intervention and Ongoing Formative Assessment 40
Scenario 1: The Textbook 47
Summary: Focusing on Students for Success 48
Questions for Discussion 48

5. Attaining the Common Core Practices 49
Understanding the Standards for Mathematical Practice 49
Understanding Indicators of Progress 51
Working With the Proficiency Matrix and Sequence Chart 62
Degrees of Proficiencies and Strategies Examples 65
Scenario 1: The Third-Year Teacher 65
Summary: Attaining the Common Core Practices 68
Continuing Progress 68
Questions for Discussion 68

6. Visiting a Transforming Classroom 69
Background 70
Common Core Standards Grade 4: Number and Operations in Base Ten 70
Planning the Lessons 71
Presenting 72
Questions for Discussion 87

7. Building Support for Collegial Relationships 89
Building Trust and Self-Confidence in Teachers 90
Supporting Teachers 91
Providing Ongoing Professional Learning Opportunities 91
Keeping Teachers Focused on Maintaining the Change 92
Keeping Confidences 92
Providing Respect 93
Promoting Professional Learning Communities 93
Inspiring Teachers 93
Scenario 1: Basic Skills 94
Scenario 2: Working Alone 96
Summary: Building Support for Collegial Relationships 97
Questions for Discussion 97

8. Maintaining Support to Increase Implementation 98
Support Versus Evaluation 98
Data and Assessments 101
Classroom Visits 102
Leadership and Management Required 106

Separated Roles 107
Sharing Leadership 108
Scenario 1: The Middle School Principal 109
Summary: Maintaining Support to Increase Implementation 111
Questions for Discussion 111

9. Leading the Way for Change 112
A Formula for Change 112
Overcoming Resistance 113
Warning of *Caveat Emptor* 113
Screening Factors 114
Questions for Discussion 118

References 119

Appendix: Sample Problems Showing CCSS Content and Practices 121
