Mathematics Teacher Educator (MTE) (ISSN 2167-9789) is a joint venture between the National Council of Teachers of Mathematics and the Association of Mathematics Teacher Educators. MTE is published online only in September and in March by the National Council of Teachers of Mathematics, 1906 Association Drive, Reston, VA 20191-1502. © 2015. The National Council of Teachers of Mathematics.

Mission and Goals of MTE: The *Mathematics Teacher Educator* will contribute to building a professional knowledge base for mathematics teacher educators that stems from, develops, and strengthens practitioner knowledge. The journal will provide a means for practitioner knowledge related to the preparation and support of teachers of mathematics to be not only public, shared, and stored, but also verified and improved over time (Hiebert, Gallimore, & Stigler 2002).
