

Use these photographs to create your own questions in the style of Mathematical Lens. Send your questions to the Mathematical Lens editors: Ron Lancaster, ron2718@nas.net, or Brigitte Bentele, brigitte.bentele@trinityschoolnyc.org.

These two photographs are of a Korean karaoke bar located at the corner of Howard and 27th Streets in Baltimore. Ron Lancaster invites readers to provide him with an understanding of the bar's name.
