SPECIAL RECOGNITION OF TWO AFFILIATES' 100TH ANNIVERSARY

Gojak presented a plaque to two Affiliates celebrating their organizations' 100th Anniversary.

1. Metropolitan Mathematics Club of Chicago (Illinois)
2. Association of Mathematics Teachers of New Jersey

RESOLUTIONS PASSED BY THE 2014 DELEGATE ASSEMBLY

RESOLUTION O.NR.14.01

Be it resolved that the Delegate Assembly recommends to the NCTM Board of Directors that: The name for NCTM's "Affiliates-at Large" be changed to a name that better reflects who and what these organizations represent.

For example: Special Focus Affiliates
Specific Focus Affiliates

RATIONALE: We recommend this updated language for the following two reasons:

1. New name would more closely describe the mission and the purpose of these Affiliates
2. New name would encourage communication and further investigation into the special focus of each Affiliate, thereby promoting membership and mutual goals for all organizations.

Submitted by Affiliates-at-Large Caucus

RESOLUTION O.NR.14.02

Be it resolved that the Delegate Assembly recommends to the NCTM Board of Directors that: The ASC creates pathways/plans/possible ways for Affiliates to adapt their annual meetings to the new schedule 2020.

RATIONALE: Members need help with possible methods to move their conferences, PD, while maintaining and growing membership

Submitted by: Central Caucus
