00:17:43 Hollylynne Lee: <https://bit.ly/nctmdatadoers>
00:19:33 Christina Riad: It would also be great to begin with a Land
Acknowledgment! This joint statement is so great!!!
00:22:58 Christina Riad: Yayyy from Egypt!!
00:23:53 Vijay Anand: India is here too!
00:24:04 Jennifer Cronin: And Hong Kong!
00:28:12 Hollylynne Lee: Give us a Thumbs up if you have ever used it!
00:28:24 Heather Noe: 👍
00:28:38 Donna LaLonde: <https://www.amstat.org/whats-going-on-in-this-graph>
00:28:51 Manorama Talaiver: In mid 90s. KidLink had a project for
children to collect data about climate change across the world and we shared data
globally and discussed with graphs and interpretations.
00:29:15 Jayme Lorenz: Hi Heather, do you have a question?
00:29:22 Jayme Lorenz: I see your hand raised
00:29:36 Heather Noe: No. I was trying to give a thumbs up and hit wrong
button.

00:39:15 Anna Bargagliotti: Welcome from Hong Kong and India!!! Wow!
00:44:41 Anna Bargagliotti: Link to codap: <https://codap.concord.org/>
00:46:28 Padmanabhan Seshaiyer: Nice example on Climate. And connecting to
the UN SDG Goal 13 on Tackling Climate Action and having the students write an essay
to the United Nations would be a great add! Helps to reinforce Data and
Communication!
00:47:51 Leticia Perez: Hello friends! Hoping the new NOAA plug in interface
working
00:47:59 Leticia Perez: There is a small bug with the date collection
00:48:02 Leticia Perez: Use drop down
00:48:12 Leticia Perez: And select from it
00:49:00 Anna Bargagliotti: Yes, great idea on connecting to the UN SDG
Goal 13!
00:50:39 Leticia Perez: arg
00:50:58 Leticia Perez: I will report these bugs to concord tomorrow

00:51:18 Donna LaLonde: Thanks!

00:51:50 Vijay Anand: How much ever you prepare, it is always a challenge in the classroom :))

00:53:45 Vijay Anand: Colourful and Super exciting! My kids will love this.

00:55:54 Vijay Anand: Is there any way to change the units from Fahrenheit to Celsius?

00:56:08 Leticia Perez: Reporting the bug right now. Do you have more than 5000 cases.

00:57:32 Brian Streight: You can change the units to metric in the plugin

00:57:33 Manorama Talaiver: If I remember correctly we can change the attribute properties for changing the unit,

00:57:50 Vijay Anand: Thanks

00:59:14 LOUISE (Lisa) BALAZS: This is pretty neat!

00:59:31 Vijay Anand: Sample size is important in getting the correct results!

00:59:45 Joleigh Honey: Thank you Hollylynne!

01:00:04 Mary Jones: I absolutely love this!

01:00:11 Igraine Lynnill Latumbo: That was cool. Thanks for that, Ms. Hollylynne ☺

01:00:11 Hollylynne Lee: <https://bit.ly/nctmdatadoers>

01:01:04 Yvette Davis: Thank you for sharing resources. They are great.

01:01:35 Yvette Davis: Looking forward to sharing with my team at school.

01:01:41 Anna Bargagliotti: Definitely think about submitting your great lessons in article form to Statistics Teacher! It can be a fantastic resources for all of us ☺

01:01:43 Manorama Talaiver: I love these resources and I can use one of them with my teachers tomorrow

01:02:15 Padmanabhan Seshaiyer: Quick share....Here is another paper (quick read) I have shared with Hollylynne on Data Visualization written with a teacher from Virginia:
<https://usasciencefestival.org/wp-content/uploads/2023/10/VMT-Unsolved-Mysteries-Data-Science-Final-2023-Padmanabhan-Seshaiyer.pdf>

01:02:31 Vijay Anand: A book that I love is also "Statistics without tears" by Derek Rowntree

01:03:02 Corinne Davidson: Collaboration of science data from class, math analyzing the data, and English writing a paper on the science is something we are exploring

01:03:06 Anna Bargagliotti: Thank you for these extra resources! I will definitely check them out.

01:03:40 Joleigh Honey: Donna, you are one of my favorite people... thanks! These are great resources.

01:04:49 Donna LaLonde: Joleigh the feeling is mutual :-)

01:05:03 Padmanabhan Seshaiyer: Thanks Hollylynne, Anna and Donna! This is great that you promoting the much needed awareness of data literacy! This is Padhu :)

01:05:23 Anna Bargagliotti: Thanks Padhu!

01:05:35 Yvette Davis: Thank you

01:05:38 Deidre Richardson: This was excellent! Thank you!!

01:05:40 Peta-Gaye Benjamin: Thank you!

01:05:42 Manorama Talaiver: Thank you very much. Bye everyone
01:05:45 Brandon Pence: Thank you!
