```
00:14:44        Donnie Piercey: Cleveland Rocks!
00:14:49        David Craig:    and we get the recording?
00:14:58        Jenna Menke:    Muncie, Indiana ☺
00:15:05        Latrenda Knighten:      Greetings from Baton Rouge, LA!
00:15:11        Donnie Piercey: Cleveland Rocks!
00:15:49        Hande Guzey:    Thank you ⚱
00:16:27        Trena Wilkerson:        Congrats!!!
00:16:33        Donnie Piercey: Hey thanks!
00:17:24        Latrenda Knighten:      Hi Trena!
00:18:09        Trena Wilkerson:        Hi Latrenda! Great group from all over the
world!!
00:18:26        Jayme Lorenz:   You'll be able to view it on our website tomorrow
https://www.nctm.org/online-learning/Webinars/List?status=recording
00:18:59        Donnie Piercey: https://resources.mrpiercey.com/math-ai
00:24:12        Trena Wilkerson:        Powerful opportunity!!
00:31:47        Darby Tobolka: I love a good game! 😵
00:33:06        Trena Wilkerson:        So interesting! I have to leave for a
meeting but will watch the recording and get the book!!! Thanks for having this
session. Hi Jayme. Please thank Donnie.
00:33:38        Jayme Lorenz:   Thanks for coming!
00:46:27        Darby Tobolka: love that you pointed that out! so important to be
more inclusive!
00:47:06        Alicia Saunders:        This information is amazing. Thank you
00:55:23        Darby Tobolka: never thought to use it that way!
00:56:43        David Craig:    this is fun and enlightening. i have enjoyed
dabbling with chatgpt. really helpful with vocabulary among so many other things.
enjoying this immensely
01:03:47        Alexander Torgov:       Very good game!
01:04:55        Sophie Graff:   Magic multipliers
01:10:53        Darby Tobolka: yikes this is hard
01:11:31        Patricia Roach: Excellent! Thank you!
01:11:38        Eleanor Young:  Really interesting!!
01:11:54        Vera Sarina:    Thank you!
01:11:59        Ken Krehbiel:   Great session!  Thank you.
01:12:03        Darby Tobolka: this was GREAT Donnie! thank you for sharing
01:12:05        Latrenda Knighten:      Thank you! This was fabulous!
01:12:08        Lisa Aldous:    Thank you!
01:12:10        Maria Yanez:    thanks
01:12:16        Kaylen Miller:  can we please have the link to the slides?
01:12:16        Chrystal Dean:  Thank you!
01:12:22        Nicole Corsetti:        This was awesome! I learned sooooo much.
Thank you.
01:12:24        Keren Watulingas:       Thank you
01:12:26        Theresa Wills:  Looking forward to checking out your book
01:12:30        Donnie Piercey: The slides are here:
https://resources.mrpiercey.com/math-ai
01:12:36        Marc Dear:      Thank you
01:12:39        Alicia Saunders:        I'm a higher ed SPED math instructor. I
can't wait to share with future educators!
01:12:45        Donnie Piercey: Awesome!
```

```
01:13:08        Sandra Trotman: Awesome
01:13:14        Donnie Piercey: It's important to recognize that all of these AI
tools are the "Atari 2600" of AI — they're only going to get better!
01:13:20        Jayme Lorenz:

tudy_-Unveiling-the-Proactive-Coaching-Framework/
01:13:22        Theresa Wills:  Shout out to the amazing Courtney and Melinda!
01:13:30        Donnie Piercey: Bonus if you got my Atari 2600 reference :-)
01:14:18        Babel Gorham:   WOW - THANK YOU
01:14:25        Donnie Piercey: https://resources.mrpiercey.com/math-ai
01:14:28        Marc Dear:      That's great, I'll look for the recording. My school
can use your ideas
01:14:29        Catherine Attard:      Donnie, will you presenting at the NCTM
conference?
01:14:33        Sharon Soule:   Thank-you!!
01:14:36        Donnie Piercey: I am not!  I have to teach! :-)
```
