

Tower Power

NAME _____

1. Add pairs of numbers to make two towers using snap cubes. Record your results in the table.

- In column 1, write the addition sentence.
- In column 2, write the types of numbers added.
- In column 3, record the sum and state whether it is odd or even.

Addends	? + ?	Is the sum odd or even?
4 + 5	Even + Odd	4 + 5 = 9; Odd

2. What pattern(s) do you see in the results? State the pattern(s) in words.
