

How Should I Move?

GROUPS	GRAPH PAIRS	
	DAY 1	DAY 2
Groups 1 & 2		
Groups 3 & 4		
Groups 5 & 6		

- Each pair of groups assigned to a graph pair will compete to best re-create the graph using the motion detector.

- If your group is not among the competing groups, you can still offer suggestions to the competing groups.

- All students are to complete the How Should I Move? Questions activity sheet for all graph pairs!
